

March 2010

Once you sanitize your hands move to the center of the altar rail and kneel on both sides of the center break, not on the sides of the altar. After the scheduled EMHCs come forward, if more EMs are needed, the unscheduled EMs should come forward.

At each Mass there are to be six (6) Ministers only, this includes the Priest & Deacon. Four EMs are usually scheduled for each Mass but if you see, for example four clergy on the altar, than only two EMs need to assist. Clergy are always to distribute communion. Thank you.
